EdenPURE SUPER CLIMATOR HEATER & AIR COOLER

The EdenPURE 360 Super Climator infrared heating component heats 1,000 sq. ft. evenly, wall-to-wall, floor-to-ceiling. The infrared heating elements radiate heat, which rides the humidity in the room. You can turn the temperature down in the rest of your home and be toasty warm in the room you are in, while slashing your heating bill every month. The EdenPURE360 Super Climator can change an 86 degree temperature in an area to a 71.3 degree True Feel Temperature in 15 seconds. You can then turn up your home thermostat to 86 degrees, which greatly reduces the operation time of your air conditioner.
